

# 4 Day Hill Country Expedition

This is a short tour to explore the best and the green part of Sri Lanka. The cycling tour starts from Kandy, the gateway to central highlands.

You can make your way to Kandy by train or with your private driver. The adventure begins from there. You can visit Temple of Tooth, Botanical Garden and other attractions in Kandy.

## Day 1

### Kandy to Nuwara Eliya.

Today our destination is Nuwara Eliya. We can take super tough cross-country trails or less busy back roads. After reaching Nuwara Eliya, we take time to explore the city by foot. We will be transferring you to the starting point of the ride and at the end there will be a short transfer again to Nuwara Eliya.

- **Ride** - 80 km
- **Drive** - 30 km

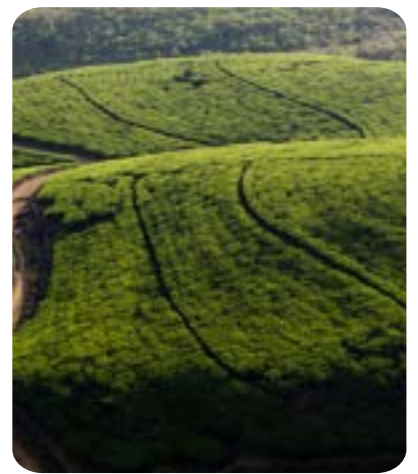

## Day 2

### Nuwara Eliya to Hatton.

Today we take a scenic route to reach our destination which is going to be Hatton. We will be riding through tea plantations and passing a beautiful waterfall. The ride is going to be mostly descends.

- **Ride** - 60 km
- **Drive** - 20 Km

## Day 3

### Hatton to Ella.

Our ride today is from Hatton to Ella. We will be riding through Peak Wilderness Sanctuary followed by exciting 20 km downhills. We reach the town of Belihuloya and decide whether to ride all the way to Ella or we can take our car to transfer.

- **Ride** - 40-60 Km
- **Drive** - 30 Km
